References

The number in brackets is the issue number and those which follow are the issue numbers. Therefore an article on page 21-28 of the April issue will be shown as (4)21-28.

Note

The February issue (2) is the Proceedings of the Town and Country Planning Summer School 1984. Also, in this issue, the Roman numerals refer to Planner items and the Arabic to Summer School ones. The April issue (4) contains the first J. R. James Memorial Lectures and material in these has Arabic numerals and the rest Roman.
